2017 Volunteers: Whole School Reading Focus

Welcome back to our 2017 school year.

This year we are developing a whole school focus on daily reading at the beginning of each day (9.00 - 9.30am) from Tuesday to Friday, commencing on Tuesday 28th February.

Every member of staff will be involved in this and we invite as many volunteers and family members, (for example grandparents,) to join us. The focus is on interacting with books to instil a love of reading.

For those who are new members of our Volunteer Community, we are running our Mandatory Induction Session on Thursday February 16th at 9:00am in the staffroom. This session includes a revised OHS component which is mandated by the Department of Education and Training. This will be presented at the beginning of the session, allowing any previously trained volunteers to be updated with this information. Current volunteers may then choose to leave the induction session when this component has concluded.

In support of our reading volunteers, we will also be offering an information session related to sharing books with children. The focus has moved away from “hearing reading” to a more interactive and enjoyable approach. Further information in regards to this session will follow at a later date.

We look forward to your contribution as part of our volunteer community throughout 2017 and ask that you indicate your preferences below.
