22nd June, 2017

Dear Parents/Guardians,

School camps play a vital role in the education of your child and build upon the Health and Physical Education program in our school. They provide an excellent opportunity for children to develop personal attributes, such as self-reliance, tolerance and co-operation. School camps provide children with opportunities to take healthy risks in a safe and nurturing environment and offer students new, varied, challenging and practical experiences.

For your child to participate in the 2017 Year 3/4 Camp, you must complete the consent form reply slip below and return it, along with any money to cover the cost of the camp, to the school by the due date/s listed below.
