

Literacy:

- Write a daily journal and draw a picture to support your writing- what are you planning to do for the day? What was your highlight from your day yesterday? Or write a recount of a TV show that you watched.
- Write a short adventure story.
- Write a procedural Text- The purpose of a procedural text is to tell the reader how to do or make something. The information is presented in a logical sequence of steps. Eg. A recipe.
- Read a book with a family member or with your favourite toy.
- Read a short story/or a chapter from a chapter book and write a summary of what happened. Write a prediction of what you think will happen in the next part of the story. Or rewrite a different ending to the story.
- Draw a comic strip and tell a story through your images.

Numeracy:

- Create a shopping list of 10 items that you would like to buy at the supermarket. Use a catalogue or website to find the price of these items and add up the cost of your items.
- Write down 10 odd numbers between the numbers 100 – 170. Explain why these numbers are odd.
- Use a dice to create a 2 or 3 digit number write this number down, create another 2 or 3 digit number and subtract these numbers from each other. Switch it around and then add these numbers together.
- Practice your multiplication facts up to 10×10 .
- Play 'Strike it out'. You need to draw a number line from 0-20. First person writes a number sentence, such as: $5+12=17$. They cross out the 5 and 12 on the number line and draw a circle around 17. Next person uses 17 in their number sentence, such as $17-10=7$. They cross out 17 and 10 and draw a circle around 7. The game continues till a player is unable to write a number sentence with the numbers left or there are no numbers available.
- Login to [Maths Online](#) and complete any task set for you.
- Login to [Essential Assessment](#) and work on Sunset Maths or My Numeracy.

Personal and Social:

- Build a Fort can be a blanket fort, a cushion castle, a fairy house, or a tepee - with cushions, blankets and sheets, clothesline, branches, or other items.
- Make a Nature Collage - collect interesting and odd things. Use the items to create different animals and creatures using additional supplies such as pipe cleaners, googly eyes, pebbles, sticks, pinecones, and feathers.
- Make an Obstacle course
- Draw a picture of something that make you smile.
