

2022 PARENT PAYMENT ARRANGEMENTS

Dear parent/guardian,

Werribee Primary School is looking forward to another great year of teaching and learning and would like to advise you of Werribee Primary School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to organise and coordinate the best possible programs outside of the traditional teaching and learning classroom structure. These financial contributions assist us with the purchasing of art, science and physical education equipment and resources. This in turn supports them to be exemplary programs, together with our exceptional classroom teaching of the established subjects such as Reading, Writing and Maths.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,
