## A message from your Coordinator

Hello Parents and Families,

On Wednesday 9<sup>th</sup> August Dan from Wyndham Council came to talk about Recycle. Children were fantastic at listening and were all proactive at recycling at home and school. All the children were given a pamphlet to take home.

National Science week is this week- children suggested some wonderful experiments and we can't wait to see our little scientist in action.

Book week is on 21<sup>st</sup> August- heaps of activities: build our own campfire and create your own comic just to name a few.

If we could reach out to parents and families for donations of old newspapers we require them for arts and crafts.

**CONGRAUGLATIONS** to Hunter and Zanea our stars of the week!

Keep Safe and enjoy your week.

Michelle and OSHC Team
